- **5 Stars for John!** - We were lucky enough to find Sydney Driver (John) and that he was available to drive us for 2 days from Sydney to the Hunter Valley. - John arrived punctually to collect us all on Sunday morning with a smile. - He took us directly to a few vineyards where we enjoyed private tastings before he dropped us off to our hotel for the night. - It must be said John is also an excellent photographer and took some brilliant photos. - The next morning John arrived promptly, stowed the luggage and insisted we had plenty of time to visit 2 more vineyards and the smelly cheese shop! At no time did John rush us, he was so friendly and helpful throughout. -So don't hesitate in booking Sydney Driver, he's safe, friendly and helpful. - Cally L. - Monday 19th February 2018

- **Hi John,** - I would like to thank you for last night. Your service is absolutely amazing, and I would highly recommend you to anyone. You made the night perfect and were definitely the highlight for me. Thank you again I cannot wait to use your service again. Michael R - Valentine's Day 14th Feb 2018

- **Hi John,** Just wanted to say thank you again for getting us home in one piece! It was a very relaxing drive home after a busy 24 hours and was much needed. - We'll call you again if we have any driving needs. - Many thanks - Claire V. H. Wed 3/01/2018 4:25 PM

- **Good Morning John,** - I would like to thank you and your wonderful Driver who arrived on time and was so accommodating and helpful. - Your Service was just fantastic and made my Wedding Day very special. - Many thanks to you and your wonderful Driver on the day. - Corrine J. - Wed 19/04/2017 9:51AM

- **Hi John,** - We had an absolutely cracking day in the 8-seater limo with David as our driver. As you know our booking was made only a few days before the trip and you managed to accommodate us very well. The cost was very reasonable and the correspondence very quick to answer any inquiry I had prior to the booking. David was great, catering to any request and giving good suggestions with his knowledge of the Hunter Valley. His patience with us as the day went on was commendable and much appreciated! - The only minor thing (and it definitely didn't spoil the day) was that the in-car entertainment system didn't seem to work - We weren't fussed about the screens or anything fancy but a normal 3.5mm headphone lead so we could have plugged a phone in to play music through the car's speakers would have worked really well. - All in all a thoroughly enjoyable day and we would definitely recommend/use your service again! - Best Regards, - David S. - Tue 15/11/2016 10:29 PM

- Hi John - I have been meaning to email you since I got back to Auckland earlier in the week. I want to thank you for helping to make our Group trip to Hunters Valley last week such a successful event. You know, you really do sell yourself short. You are far more than a "Sydney Driver" You were a fabulous host, your guidance and input into organisation of the day's activities was hugely appreciated as were the little touches, having fresh apples and water available for us to help ourselves to during the trip. Our Group thoroughly appreciated that you so easily went out of your way to make sure our wishes were accommodated and we loved that you mixed with us so easily. Everyone in the Group has commented how your input helped make our visit to the Hunters such a successful event and how if they have the opportunity again they would utilise your services in a heartbeat. - Thank you for everything and kindest regards. - Geoff B. - Sunday, 25 September 2016 5:33 AM

- **A 50th Birthday trip to the Hunter Valley was a great success!! - John made the booking process very easy, turned up on time and we enjoyed a very relaxed and fun day touring 5 different venues tasting wines, spirits and ales incorporating a late breakfast and late lunch. The transport was clean and well maintained and was very reasonably priced. He didn't complain at all either about the 50 toilet stops on the way back to Sydney. Thankyou Sydney Driver for a great day! - Feedback by Trip Adviser - Reviewed 24 July 2017**
- **"Great experience" - John catered for our group well, we were staying in the Hunter and he transported us to lots of wineries during the day. We had some places booked ourselves but he also had ideas on where to take groups. Thanks John, would definitely recommend. - Feedback by Trip Adviser**
- **"Fantastic!" - John was an integral part of my proposal to my girlfriend (and now fiancé). I had organised with John to drive her from Sydney to the Hunter Valley, with the additional hard task of keeping the destination a secret from her! My fiancé had figured out what was going on and was quite nervous, but John made the trip very enjoyable for her, and looked after her very well. In dealing with John he was nothing but professional, courteous, and very prompt with communications - he went out of his way with so many details that it made my life so much easier as well! Thanks again John!! - Feedback by Trip Adviser**
- **"Great guy great transport" - John was our driver for the day to take us from Sydney to the Hunter Valley. He owns the business so you get the best treatment. Nothing was too much trouble and when a couple of us wanted a detour he was happy to accommodate and come back for the pick up. He was knowledgeable and chatty and made us feel very welcome. Highly recommended. - Feedback by Trip Adviser**
- **"Knows how to get there the old way" - John has been driving in Sydney for a very long time and knows how to get across town. He told our group he came to Australia when he was 13 and I would say he started driving straight away. He went out of his way to make sure our group was comfortable and nothing was a problem. Just ask and John will make sure it happens. - Feedback by Trip Adviser**
- **"Faultless service, unreservedly recommend" - I hired Sydney Driver on 30 July 2016 to transport 8 ladies on a private wine tour of the Hunter Valley vineyards. I own a guest house in the Hunter. John's service was faultless. Arrived early, the Mercedes bus was spotless and he had complimentary water and umbrellas for the guests. He was so polite and courteous - an absolute gentleman. One of the guests was running late and missed the bus. John offered to drive back to the guest house and pick her up after he**
